Plaintiff ("Plaintiff"), individually and on behalf of all others similarly 1 2 situated, by and through his attorneys, alleges the following upon information and 3 belief, except as to those allegations concerning Plaintiff, which are alleged upon personal knowledge. Plaintiff's information and belief is based upon, among other 4 5 things, his counsel's investigation, which includes without limitation: (a) review 6 and analysis of regulatory filings made by The Beauty Health Company ("Beauty 7 Health" or the "Company") with the United States ("U.S.") Securities and Exchange 8 Commission ("SEC"); (b) review and analysis of press releases and media reports 9 issued by and disseminated by Beauty Health; and (c) review of other publicly 10 available information concerning Beauty Health.

11

NATURE OF THE ACTION AND OVERVIEW

This is a class action on behalf of persons and entities that purchased or
 otherwise acquired Beauty Health securities between May 10, 2022 and November
 13, 2023, inclusive (the "Class Period"). Plaintiff pursues claims against the
 Defendants under the Securities Exchange Act of 1934 (the "Exchange Act").

16 2. Beauty Health is a health and beauty company which provides "skin
17 health experiences." Its flagship brand is Hydrafacial[™] through which the Company
18 provides goods and services related to hydradermabrasion, a dermatological
19 procedure involving a mechanical exfoliation and infusion of facial serums.
20 Hydrafacial's leading product is Syndeo, a data-connected hydradermabrasion
21 machine, which launched in the United States in March 2022.

- 3. On August 9, 2023, before the market opened, Beauty Health announced
 that second quarter 2023 gross margin was "unfavorably impacted" by a mix shift
 "toward lower-margin refurbished devices . . . as U.S. providers awaited Syndeo
 enhancements in the third quarter 2023 to improve user experience." The Company
 also announced the "involuntary separation without cause" of Chief Financial Officer
 ("CFO") Defendant Liyuan Woo ("Woo").
- 28

- On this news, the Company's shares fell \$0.41, or 5.4%, to close at \$7.12 4. 2 per share on August 9, 2023, on unusually heavy trading volume.

3 5. Then, on November 13, 2023, after the market closed, Beauty Health announced its financial results for the third quarter of 2023. The Company disclosed 4 5 that "[t]he quarter was overshadowed by lower-than-expected U.S. revenue and \$63.1 million in restructuring charges related to device upgrades of early generation Syndeo 6 devices." As a result, "the Company is revising its fiscal year 2023 net sales guidance 7 8 to a range of \$385 to \$400 million, its fiscal year adjusted EBITDA margin guidance 9 to a range of 5% to 6% and is suspending its long-term 2025 financial outlook." The Company further disclosed that Andrew Stanleick ("Stanleick") would depart the 10 Company as President & Chief Executive Officer ("CEO") and relinquish his Board 11 12 seat, effective November 19, 2023.

13

14

6. On this news, the Company's share price fell \$2.51, or 64.36%, to close at \$1.39 per share on November 14, 2023, on unusually heavy trading volume.

15 Throughout the Class Period, Defendants made materially false and/or 7. misleading statements, as well as failed to disclose material adverse facts about the 16 Company's business, operations, and prospects. Specifically, Defendants failed to 17 disclose to investors: (1) that Syndeo 1.0 and 2.0 devices had issues leading to 18 19 "frequent treatment interruptions;" (2) that, as a result, the Company incurred significant costs to develop enhancements; (3) that, despite the enhancements, 20 21 providers continued to experience issues with the Syndeo devices; (4) that, as a result, the Company would no longer market Syndeo 1.0 and 2.0 devices and incur 22 23 significant inventory writedowns; (5) that, as a result, the Company's profitability 24 would be adversely impacted; and (6) that, as a result of the foregoing, Defendants' 25 positive statements about the Company's business, operations, and prospects were materially misleading and/or lacked a reasonable basis. 26

- 27
- 28

- As a result of Defendants' wrongful acts and omissions, and the 8. 1 2 precipitous decline in the market value of the Company's securities, Plaintiff and 3 other Class members have suffered significant losses and damages.
- 4

6 28. The above statements identified in \P 20-27 were materially false and/or 7 misleading, and failed to disclose material adverse facts about the Company's 8 business, operations, and prospects. Specifically, Defendants failed to disclose to investors: (1) that Syndeo 1.0 and 2.0 devices had issues leading to "frequent 9 10 treatment interruptions;" (2) that, as a result, the Company incurred significant costs to develop enhancements; (3) that, despite the enhancements, providers continued to 11 experience issues with the Syndeo devices; (4) that, as a result, the Company would 12 13 no longer market Syndeo 1.0 and 2.0 devices and incur significant inventory writedowns; (5) that, as a result, the Company's profitability would be adversely 14 impacted; and (6) that, as a result of the foregoing, Defendants' positive statements 15 about the Company's business, operations, and prospects were materially misleading 16 17 and/or lacked a reasonable basis.

18 29. The truth began to emerge on August 9, 2023, before the market opened,
19 when the Company reported in a press release (the "Q2 2023 Press Release") that
20 second quarter 2023 gross margin was "unfavorably impacted" by a mix shift "toward

On the same day, after the market closed, the Company submitted its 5 second quarter 2023 financial results on Form 10-Q to the SEC, which stated: During the third quarter of 2023, the Company launched a voluntary 6 *initiative* to *replacing certain componentry in previously manufactured* Syndeo delivery systems to increase resistance to inadvertent clogging 7 when recommended maintenance is not performed. This initiative is expected to result in approximately \$5 million in expense during the 8 third quarter. 9 34. Disclosures at the End of the Class Period

35. On November 13, 2023, after the market closed, the Company announced its third quarter 2023 financial results (the "Q3 2023 Press Release"), reporting that the "quarter was overshadowed by lower-than-expected U.S. revenue and \$63.1 million in restructuring charges related to device upgrades of early generation Syndeo devices." As a result, Beauty Health reported that "[n]et sales were \$97.4 million for the third quarter of 2023, an increase of 10% compared to the prior

year period, with strength in APAC and EMEA offset by challenges in the U.S." and 1 2 "[g]ross margin was (12.9)% in Q3 2023 compared to 69.1% in Q3 2022 [due to the] 3 \$63.1 million associated with the Syndeo Program," among other things. Moreover, 4 "the Company is revising its fiscal year 2023 net sales guidance to a range of \$385 to 5 \$400 million, its fiscal year adjusted EBITDA margin guidance to a range of 5% to 6% and is suspending its long-term 2025 financial outlook." 6 7 36. The Q3 2023 Press Release detailed that these \$63.1 million in 8 restructuring charges included an \$18.8 million inventory write-down because the 9 Company designated all Syndeo 1.0 and 2.0 devices as obsolete and will only market 10 and sell Syndeo 3.0 devices. Specifically, the Q3 2023 Press Release stated, as follows: 11 • To stand behind its commitment to its customers and protect brand 12 reputation, Management decided that, with respect to Syndeo devices, the Company will only market and sell Syndeo 3.0 devices due to 13 provider experience issues with earlier generation Syndeo devices. 14 • The Company will provide, at no cost to the customer, the option of (i) a technician upgrade to their Syndeo 1.0 or 2.0 devices to 3.0 standards in the field; or (ii) a replacement Syndeo 3.0 device for their existing 15 device. 16 • The Company will also extend all Syndeo warranties by one year, as a 17 thank you to providers. 18 • The Company has designated all Syndeo 1.0 and 2.0 devices on-hand as obsolete, resulting in an inventory write-down in cost of sales of \$18.8 million during the three months ended September 30, 2023. 19 20• The Company incurred costs of \$12.3 million associated with the Syndeo Program and has accrued an additional \$32.1 million for the 21 estimated cost to remediate or upgrade or exchange the remaining Syndeo 1.0 and 2.0 devices. 22 23 The Company further disclosed that Defendant Stanleick would depart 37. 24 the Company as President and CEO and relinquish his Board seat, effective November 19, 2023. 25 26 38. On this news, the Company's stock fell \$2.51, or 64.36%, to close at 27 \$1.39 per share on November 14, 2023, on unusually heavy trading volume. 28 CLASS ACTION COMPLAINT 11

2 39. Plaintiff brings this action as a class action pursuant to Federal Rule of 3 Civil Procedure 23(a) and (b)(3) on behalf of a class, consisting of all persons and 4 entities that purchased or otherwise acquired Beauty Health securities between May 5 10, 2022 and November 13, 2023, inclusive, and who were damaged thereby (the "Class"). Excluded from the Class are Defendants, the officers and directors of the 6 7 Company, at all relevant times, members of their immediate families and their legal 8 representatives, heirs, successors, or assigns, and any entity in which Defendants have 9 or had a controlling interest.

10 40. The members of the Class are so numerous that joinder of all members is impracticable. Throughout the Class Period, Beauty Health's shares actively traded 11 on the NASDAQ. While the exact number of Class members is unknown to Plaintiff 12 13 at this time and can only be ascertained through appropriate discovery, Plaintiff believes that there are at least hundreds or thousands of members in the proposed 14 Class. Millions of Beauty Health shares were traded publicly during the Class Period 15 on the NASDAQ. Record owners and other members of the Class may be identified 16 from records maintained by Beauty Health or its transfer agent and may be notified 17 of the pendency of this action by mail, using the form of notice similar to that 18 customarily used in securities class actions. 19

Plaintiff's claims are typical of the claims of the members of the Class 20 41. 21 as all members of the Class are similarly affected by Defendants' wrongful conduct in violation of federal law that is complained of herein. 22

23 42. Plaintiff will fairly and adequately protect the interests of the members 24 of the Class and has retained counsel competent and experienced in class and securities litigation. 25

Common questions of law and fact exist as to all members of the Class 26 43. and predominate over any questions solely affecting individual members of the Class. 27 28

Among the questions of law and fact common to the Class are:

(a) whether the federal securities laws were violated by Defendants'
 acts as alleged herein;

- 3 (b) whether statements made by Defendants to the investing public
 4 during the Class Period omitted and/or misrepresented material facts about the
 5 business, operations, and prospects of Beauty Health; and
- 6 (c) to what extent the members of the Class have sustained damages
 7 and the proper measure of damages.

44. A class action is superior to all other available methods for the fair and
efficient adjudication of this controversy since joinder of all members is
impracticable. Furthermore, as the damages suffered by individual Class members
may be relatively small, the expense and burden of individual litigation makes it
impossible for members of the Class to individually redress the wrongs done to them.
There will be no difficulty in the management of this action as a class action.

14

UNDISCLOSED ADVERSE FACTS

15 45. The market for Beauty Health's securities was open, well-developed and 16 efficient at all relevant times. As a result of these materially false and/or misleading 17 statements, and/or failures to disclose, Beauty Health's securities traded at artificially 18 inflated prices during the Class Period. Plaintiff and other members of the Class 19 purchased or otherwise acquired Beauty Health's securities relying upon the integrity 20 of the market price of the Company's securities and market information relating to 21 Beauty Health, and have been damaged thereby.

46. During the Class Period, Defendants materially misled the investing
public, thereby inflating the price of Beauty Health's securities, by publicly issuing
false and/or misleading statements and/or omitting to disclose material facts necessary
to make Defendants' statements, as set forth herein, not false and/or misleading. The
statements and omissions were materially false and/or misleading because they failed
to disclose material adverse information and/or misrepresented the truth about Beauty
Health's business, operations, and prospects as alleged herein.

CLASS ACTION COMPLAINT

At all relevant times, the material misrepresentations and omissions 47. 1 2 particularized in this Complaint directly or proximately caused or were a substantial 3 contributing cause of the damages sustained by Plaintiff and other members of the Class. As described herein, during the Class Period, Defendants made or caused to 4 5 be made a series of materially false and/or misleading statements about Beauty Health's financial well-being and prospects. These material misstatements and/or 6 7 omissions had the cause and effect of creating in the market an unrealistically positive 8 assessment of the Company and its financial well-being and prospects, thus causing 9 the Company's securities to be overvalued and artificially inflated at all relevant 10 times. Defendants' materially false and/or misleading statements during the Class Period resulted in Plaintiff and other members of the Class purchasing the Company's 11 securities at artificially inflated prices, thus causing the damages complained of herein 12 13 when the truth was revealed.

14

LOSS CAUSATION

48. Defendants' wrongful conduct, as alleged herein, directly andproximately caused the economic loss suffered by Plaintiff and the Class.

49. During the Class Period, Plaintiff and the Class purchased Beauty
Health's securities at artificially inflated prices and were damaged thereby. The price
of the Company's securities significantly declined when the misrepresentations made
to the market, and/or the information alleged herein to have been concealed from the
market, and/or the effects thereof, were revealed, causing investors' losses.

22

SCIENTER ALLEGATIONS

50. As alleged herein, Defendants acted with scienter since Defendants knew
 that the public documents and statements issued or disseminated in the name of the
 Company were materially false and/or misleading; knew that such statements or
 documents would be issued or disseminated to the investing public; and knowingly
 and substantially participated or acquiesced in the issuance or dissemination of such
 statements or documents as primary violations of the federal securities laws. As set

¹⁴

forth elsewhere herein in detail, the Individual Defendants, by virtue of their receipt
 of information reflecting the true facts regarding Beauty Health, their control over,
 and/or receipt and/or modification of Beauty Health's allegedly materially misleading
 misstatements and/or their associations with the Company which made them privy to
 confidential proprietary information concerning Beauty Health, participated in the
 fraudulent scheme alleged herein.

7

8

APPLICABILITY OF PRESUMPTION OF RELIANCE (FRAUD-ON-THE-MARKET DOCTRINE)

9 The market for Beauty Health's securities was open, well-developed and 51. 10 efficient at all relevant times. As a result of the materially false and/or misleading 11 statements and/or failures to disclose, Beauty Health's securities traded at artificially inflated prices during the Class Period. On August 8, 2022, the Company's share 12 price closed at a Class Period high of \$15.27 per share. Plaintiff and other members 13 of the Class purchased or otherwise acquired the Company's securities relying upon 14 the integrity of the market price of Beauty Health's securities and market information 15 16 relating to Beauty Health, and have been damaged thereby.

17 52. During the Class Period, the artificial inflation of Beauty Health's shares was caused by the material misrepresentations and/or omissions particularized in this 18 19 Complaint causing the damages sustained by Plaintiff and other members of the Class. As described herein, during the Class Period, Defendants made or caused to be made 20 21 a series of materially false and/or misleading statements about Beauty Health's business, prospects, and operations. These material misstatements and/or omissions 22 23 created an unrealistically positive assessment of Beauty Health and its business, 24 operations, and prospects, thus causing the price of the Company's securities to be 25 artificially inflated at all relevant times, and when disclosed, negatively affected the Defendants' materially false and/or misleading 26 value of the Company shares. 27 statements during the Class Period resulted in Plaintiff and other members of the Class

purchasing the Company's securities at such artificially inflated prices, and each of
 them has been damaged as a result.

3 53. At all relevant times, the market for Beauty Health's securities was an
4 efficient market for the following reasons, among others:

6 (a) Beauty Health shares met the requirements for listing, and was
6 listed and actively traded on the NASDAQ, a highly efficient and automated market;

7 (b) As a regulated issuer, Beauty Health filed periodic public reports
8 with the SEC and/or the NASDAQ;

9 (c) Beauty Health regularly communicated with public investors via
10 established market communication mechanisms, including through regular
11 dissemination of press releases on the national circuits of major newswire services
12 and through other wide-ranging public disclosures, such as communications with the
13 financial press and other similar reporting services; and/or

(d) Beauty Health was followed by securities analysts employed by
brokerage firms who wrote reports about the Company, and these reports were
distributed to the sales force and certain customers of their respective brokerage firms.
Each of these reports was publicly available and entered the public marketplace.

18 54. As a result of the foregoing, the market for Beauty Health's securities
19 promptly digested current information regarding Beauty Health from all publicly
20 available sources and reflected such information in Beauty Health's share price.
21 Under these circumstances, all purchasers of Beauty Health's securities during the
22 Class Period suffered similar injury through their purchase of Beauty Health's
23 securities at artificially inflated prices and a presumption of reliance applies.

55. A Class-wide presumption of reliance is also appropriate in this action
under the Supreme Court's holding in *Affiliated Ute Citizens of Utah v. United States*,
406 U.S. 128 (1972), because the Class's claims are, in large part, grounded on
Defendants' material misstatements and/or omissions. Because this action involves
Defendants' failure to disclose material adverse information regarding the Company's

CLASS ACTION COMPLAINT

business operations and financial prospects—information that Defendants were
obligated to disclose—positive proof of reliance is not a prerequisite to recovery. All
that is necessary is that the facts withheld be material in the sense that a reasonable
investor might have considered them important in making investment decisions.
Given the importance of the Class Period material misstatements and omissions set
forth above, that requirement is satisfied here.

7

23

NO SAFE HARBOR

8 56. The statutory safe harbor provided for forward-looking statements under certain circumstances does not apply to any of the allegedly false statements pleaded 9 10 in this Complaint. The statements alleged to be false and misleading herein all relate 11 to then-existing facts and conditions. In addition, to the extent certain of the statements alleged to be false may be characterized as forward looking, they were not 12 13 identified as "forward-looking statements" when made and there were no meaningful cautionary statements identifying important factors that could cause actual results to 14 differ materially from those in the purportedly forward-looking statements. In the 15 16 alternative, to the extent that the statutory safe harbor is determined to apply to any forward-looking statements pleaded herein, Defendants are liable for those false 17 18 forward-looking statements because at the time each of those forward-looking 19 statements was made, the speaker had actual knowledge that the forward-looking statement was materially false or misleading, and/or the forward-looking statement 20 was authorized or approved by an executive officer of Beauty Health who knew that 21 the statement was false when made. 22

FIRST CLAIM

24 Violation of Section 10(b) of The Exchange Act and 25 Rule 10b-5 Promulgated Thereunder 26 Against All Defendants 27 57. Plaintiff repeats and re-alleges each and every allegation contained 28 above as if fully set forth herein.

58. During the Class Period, Defendants carried out a plan, scheme and
course of conduct which was intended to and, throughout the Class Period, did: (i)
deceive the investing public, including Plaintiff and other Class members, as alleged
herein; and (ii) cause Plaintiff and other members of the Class to purchase Beauty
Health's securities at artificially inflated prices. In furtherance of this unlawful
scheme, plan and course of conduct, Defendants, and each defendant, took the actions
set forth herein.

8 59. Defendants (i) employed devices, schemes, and artifices to defraud; (ii) made untrue statements of material fact and/or omitted to state material facts 9 10 necessary to make the statements not misleading; and (iii) engaged in acts, practices, and a course of business which operated as a fraud and deceit upon the purchasers of 11 the Company's securities in an effort to maintain artificially high market prices for 12 13 Beauty Health's securities in violation of Section 10(b) of the Exchange Act and Rule 14 10b-5. All Defendants are sued either as primary participants in the wrongful and 15 illegal conduct charged herein or as controlling persons as alleged below.

16 60. Defendants, individually and in concert, directly and indirectly, by the
17 use, means or instrumentalities of interstate commerce and/or of the mails, engaged
18 and participated in a continuous course of conduct to conceal adverse material
19 information about Beauty Health's financial well-being and prospects, as specified
20 herein.

21 61. Defendants employed devices, schemes and artifices to defraud, while in possession of material adverse non-public information and engaged in acts, practices, 22 23 and a course of conduct as alleged herein in an effort to assure investors of Beauty Health's value and performance and continued substantial growth, which included the 24 making of, or the participation in the making of, untrue statements of material facts 25 and/or omitting to state material facts necessary in order to make the statements made 26 27 about Beauty Health and its business operations and future prospects in light of the 28 circumstances under which they were made, not misleading, as set forth more

CLASS ACTION COMPLAINT

particularly herein, and engaged in transactions, practices and a course of business
 which operated as a fraud and deceit upon the purchasers of the Company's securities
 during the Class Period.

Each of the Individual Defendants' primary liability and controlling 62. 4 5 person liability arises from the following facts: (i) the Individual Defendants were high-level executives and/or directors at the Company during the Class Period and 6 members of the Company's management team or had control thereof; (ii) each of 7 8 these defendants, by virtue of their responsibilities and activities as a senior officer and/or director of the Company, was privy to and participated in the creation, 9 10 development and reporting of the Company's internal budgets, plans, projections 11 and/or reports; (iii) each of these defendants enjoyed significant personal contact and familiarity with the other defendants and was advised of, and had access to, other 12 13 members of the Company's management team, internal reports and other data and information about the Company's finances, operations, and sales at all relevant times; 14 and (iv) each of these defendants was aware of the Company's dissemination of 15 information to the investing public which they knew and/or recklessly disregarded 16 was materially false and misleading. 17

18 63. Defendants had actual knowledge of the misrepresentations and/or 19 omissions of material facts set forth herein, or acted with reckless disregard for the truth in that they failed to ascertain and to disclose such facts, even though such facts 20 were available to them. Such defendants' material misrepresentations and/or 21 omissions were done knowingly or recklessly and for the purpose and effect of 22 23 concealing Beauty Health's financial well-being and prospects from the investing 24 public and supporting the artificially inflated price of its securities. As demonstrated by Defendants' overstatements and/or misstatements of the Company's business, 25 26 operations, financial well-being, and prospects throughout the Class Period, 27 Defendants, if they did not have actual knowledge of the misrepresentations and/or 28 omissions alleged, were reckless in failing to obtain such knowledge by deliberately

CLASS ACTION COMPLAINT

refraining from taking those steps necessary to discover whether those statements
 were false or misleading.

3 64. As a result of the dissemination of the materially false and/or misleading information and/or failure to disclose material facts, as set forth above, the market 4 5 price of Beauty Health's securities was artificially inflated during the Class Period. In ignorance of the fact that market prices of the Company's securities were 6 artificially inflated, and relying directly or indirectly on the false and misleading 7 8 statements made by Defendants, or upon the integrity of the market in which the 9 securities trades, and/or in the absence of material adverse information that was 10 known to or recklessly disregarded by Defendants, but not disclosed in public statements by Defendants during the Class Period, Plaintiff and the other members of 11 the Class acquired Beauty Health's securities during the Class Period at artificially 12 13 high prices and were damaged thereby.

At the time of said misrepresentations and/or omissions, Plaintiff and 14 65. other members of the Class were ignorant of their falsity, and believed them to be 15 true. Had Plaintiff and the other members of the Class and the marketplace known 16 the truth regarding the problems that Beauty Health was experiencing, which were 17 18 not disclosed by Defendants, Plaintiff and other members of the Class would not have 19 purchased or otherwise acquired their Beauty Health securities, or, if they had acquired such securities during the Class Period, they would not have done so at the 20 21 artificially inflated prices which they paid.

22 66. By virtue of the foregoing, Defendants violated Section 10(b) of the
23 Exchange Act and Rule 10b-5 promulgated thereunder.

67. As a direct and proximate result of Defendants' wrongful conduct,
Plaintiff and the other members of the Class suffered damages in connection with
their respective purchases and sales of the Company's securities during the Class
Period.

SECOND CLAIM

Violation of Section 20(a) of The Exchange Act Against the Individual Defendants

68. Plaintiff repeats and re-alleges each and every allegation contained above as if fully set forth herein.

5 6

69. Individual Defendants acted as controlling persons of Beauty Health within the meaning of Section 20(a) of the Exchange Act as alleged herein. By virtue 7 8 of their high-level positions and their ownership and contractual rights, participation 9 in, and/or awareness of the Company's operations and intimate knowledge of the false 10 financial statements filed by the Company with the SEC and disseminated to the 11 investing public, Individual Defendants had the power to influence and control and did influence and control, directly or indirectly, the decision-making of the Company, 12 13 including the content and dissemination of the various statements which Plaintiff contends are false and misleading. Individual Defendants were provided with or had 14 unlimited access to copies of the Company's reports, press releases, public filings, 15 and other statements alleged by Plaintiff to be misleading prior to and/or shortly after 16 these statements were issued and had the ability to prevent the issuance of the 17 18 statements or cause the statements to be corrected.

19 70. In particular, Individual Defendants had direct and supervisory
20 involvement in the day-to-day operations of the Company and, therefore, had the
21 power to control or influence the particular transactions giving rise to the securities
22 violations as alleged herein, and exercised the same.

71. As set forth above, Beauty Health and Individual Defendants each
violated Section 10(b) and Rule 10b-5 by their acts and omissions as alleged in this
Complaint. By virtue of their position as controlling persons, Individual Defendants
are liable pursuant to Section 20(a) of the Exchange Act. As a direct and proximate
result of Defendants' wrongful conduct, Plaintiff and other members of the Class
